

ALEJANDRO CÁCERES

SOFTWARE DEVELOPER

I am a talented software engineer with potential in frontend and backend development. Experienced in web development with knowledge in HTML, CSS, JavaScript, Bootstrap, Node.js, and PHP language programming. A responsible, committed, respectful, motivated, and quick learner. Passionated in programming and always looking for ways to improve my skills. Looking for an opportunity to put my skills to use and contribute to the success of the company.

Junior Developer

A talented software engineer with potential in frontend and backend development. Experienced in web development with knowledge in HTML, CSS, JavaScript, Bootstrap, Node.js, and PHP language programming
